Single House for sale in Pieve di Teco

€ 75.000

Ref. 1008

200 sq.m. | : 2 | : 4 | : 5

In Pieve di Teco, in a quiet and convenient location, we offer for sale a ground-to-roof house.

The house is spread over several floors and is composed as follows: On the ground floor there is a large warehouse with easy access from the main road that can be used as a shelter for a small car or motorbike.
An internal staircase leads to the first floor, where there's a large living room with an open-plan kitchen and a bathroom. This floor has been recently renovated and is ready for occupancy.
On the second floor, which has not yet been renovated, there are two bedrooms and a space already set up for a second bathroom. Continuing to the third floor, we find a large attic space, also in need of renovation, where we can create additional living space as needed.

As a top floor we have a covered terrace, and the roof of the property has recently been redone.

An ideal solution for those seeking a home to personalize after renovation, with plenty of space and in a quiet, well-served, and easily accessible area.
